

KLSJISCCD 2017 Ice Breaking Session

On the 4th of January 2017, KLSJISCCD had an Ice Breaking Session to welcome the new members and also introduce to the new members what SJAM is all about. The event took place in classes 10-1 and 10-2, from 2.00 pm. to 3.30 pm. The emcees were Aatharshan and Daryl from year 10.

The event started at 2.00 pm after the arrival of the VIPs, Mr Suresh Dass, our principal, Dr Inderjeet Singh Sidhu, our head of academics and teacher advisors, Ms Catherine and Ms Halimatun. The event started off with a warm welcome speech by the teacher advisors.

Next was a speech by Mr Suresh Dass and the MIC (Member in Charge), Cadet Lance Corporal Nelson Lim Yan Bin.

Once the speeches were over, the new members as well as the old members introduced themselves. Once the introductions over, there was a lucky draw where the new members won some prizes prepared by the organizing committee.

At the end of the event, some refreshments were served, and the committee members cleaned up the classes. Overall, the event was a success, and we hope the following year will be a bigger success.
