

'SAVE IT, SMASH IT, WIN IT, LOVE IT'

For the first time, SJIS students have accomplished an incredible achievement. Andrea Szeto (Year 8-1) and Nesya Tan (Year 9-3) have been selected to participate in the MSSM Kuala Lumpur Tennis Tournament, after their big win in MSSWP Tennis Tournament. These two competitors will be participating for 'under 15 (Girls) – Singles'. Their previous matches during the MSSWP Tennis Tournament that was held from 18th July 2016 to 21st July 2016, had been such an exciting victory for them; as both these girls had brought back gold medals for 'under 15 (Girls) – Doubles' together with pride. Both these

girls weren't the only winners on that day, both Rachael Szeto and Amy Hong from Year 11-1 won gold medals for 'under 18 (Girls) – Doubles'.

As for the boys, they had been categorized into two groups during the MSSWP Tennis Tournament. Varick Selva from Year 8-2 and Chew Hao Shern from Year 7-1 both participated in the 'under 15 (Boys) – Doubles' category. These competitors won silver medal for this category; whereas Shawn from Year 11-2 and Justin from Year 11-1 won gold medals in the 'under 18 (Boys) – Doubles' category.

All these splendid winners have truly defined the true meaning of victory and pride. These competitors have also proved that they would go the extra mile to clinch the coveted tag as WINNERS!
