

## Shaolin Goh Chor Annual Competition

On the 14<sup>th</sup> of August, 2 representatives from our school – Stephanie Cheah and Lim Zi Xuan – took part in the 22<sup>nd</sup> edition of the aforementioned competition.

The competition served as a platform to showcase the skills of the members of the Shaolin Goh Chor club, not only in traditional Wushu, but in other cultural activities as well, such as, the Lion Dance and Chinese Drums.

A total of 8 events were contested with 4 categories:

Under 12, Intermediate (Men's and Ladies'), Advanced (Men's and Ladies) and Team (Under 12 and Adults). These events included the Hand Pattern, Weapon (with Short and Long Weapons placed in different categories for Advanced), San Shou Duilian (prearranged kickboxing), Chinese Drums and Lion Dance.

SIJS was represented in two events: the Ladies' Intermediate Hand Pattern and Men's Advanced Hand Pattern. Lim Zi Xuan did us proud by clinching the bronze medal for the Men's Advanced Hand Pattern, while Stephanie Cheah made it to the quarterfinals of the Ladies' Intermediate Hand Pattern.

Overall, we at SJIS are very proud of these two athletes, and we hope to see them and the rest of the Wushu club reach newer heights.
